To Whom It May Concern

We appreciate Globe3 consultant's fast response and effective support to our needs and to the timely preparation of our report formats in management reporting. The Globe3 KPI reports for our company has been improved for a clearer understanding which also allow us to quickly pinpoint which range of products need attentions rather than use guesswork.

Today, we have full confidence that Globe3 ERP will continue to deliver innovative tools for our industry to help us achieve our goals.

On behalf of,

Aces Marine & Industrial Pte Ltd
