17 February 2005

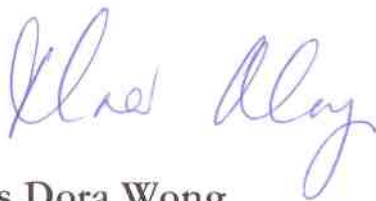

Dear TNO Systems,

It is our pleasure to provide the below testimonial:

The successful implementation of Globe3 ERP now gives our management and staff a useful financial and supply chain management system to handle our sales and financial reports.

We have been able to scale-up our business with in partnership with you.

We thank all of your time and effort expended in rolling out the new system for us.

**Ms Dora Wong**

**Director**
